

Air-1 Radio has been a blessing to my life and also to my wife's life. It's also a great ministry for a lot of teenagers that are seeking a relationship with something and finding God as the best relationship they can ever have.

I know many people in my community that love listening to Air-1 because it's clean and because its family friendly and very different then all the other radio stations.

Please keep Air-1 radio stations a priority.

Thank you very very much!
